

How to get results for students

How to get results

From Home Page>Click **Result** Button>>From Result Page> enter 14 digit RollNo >>Click **Submit** Button

Example:14 digit RollNo (18006202230001)

Then result will be displayed, click the link print result, here comes a popup window, to get the print out click the print button. If you want another results then click the link [check another result](#). If the RollNo is not exists then it will shows an error message
